Dear Florida Blue Member,

Are you dreaming of traveling abroad? Maybe to Paris, London or Germany? The good news is it may be possible to travel outside of the United States if you have a BlueOptions or BlueChoice PPO plan!

The easiest way to find to see if there is a participating provider in the area your travelling is to go to the following website:

www.bluecardworldwide.com

Once on this site, you will enter the 3 letter prefix on your ID card, specialty and location.

If you have trouble finding a provider you can call BlueCard Worldwide 1.800.810.BLUE (2583) or collect at 1.804.673.1177.

If you’re planning to receive treatment please call BlueCard Worldwide to determine if direct billing can be arranged between provider and your plan.

Safe Travels!!
