Service Request: Water Sewer Irrigation Reclaim Hydrant

Water Meter Size: 5/8" 1" 1.5" 2" 3" 4" 6" 8" 10"

Remarks

Notes:

- If water and/or sewer service is not located, customer shall pay a service installation fee before a new service is installed. A designated plumber or representative will coordinate with the Utility Maintenance Division to determine the location of the service.
  - Fees are refundable, less inspection fees if an existing service is located.
  - If water service is not available, a main line extension may also be required to connect to the City's water system.
- If sewer service for residential property is not within 250 feet, a line extension is required to connect to the City's sewer system.
- If contractor returns the hose bib device to Utilities Maintenance at 1802 W. Spooner Drive prior to issuance of the Certificate of Occupancy, the City will refund the full deposit.
